Tastes of Burgundy

Christine was the first guest chef to open the Tastes of Burgundy culinary tour in May 2011. A week of indulgence in one of the most iconic regions of France, with exceptional wines and excellent food. A residential cooking school in a Burgundy chateau near Meursault packed with gastronomic experiences - visiting regional farmers markets, hands-on cooking sessions, wine tastings, visiting an artisanal goat dairy and cheese farm, taking in some special historical sites and dining at local restaurants.
